Peter Goldmark - Commissioner of Public Lands

Application for Use of State-owned Aquatic Lands

Applicant Name: Skagit Fisheries Enhancement Group
County: San Juan County
Water Body: Thatcher Bay
Type of Authorization - Use: Restoration Project – Cooperative Agreement
Authorization Number: N/A
Term: Through June 30, 2011

Description: DNR's Aquatic Lands Restoration Program will be providing funding in support of the removal of wood waste debris from Thatcher Bay, Blakely Island, within San Juan County. The wood waste debris, a product of past log booming activities in the area, is smothering nearshore habitat and releasing sulfide compounds into the sediment which impede eelgrass productivity.
